#### POSITION CONTEXT:

Mercy College is a Catholic, coeducational school with over 1600 students from Kindergarten to Year 12. Mercy College was established by the Sisters of Mercy in 1972 and is located on a spacious 10-hectare site. The College provides modern facilities, generous playing fields and open, and well-kept grounds. This adds to the College's mission of providing an environment that is safe, nurturing and caring for our culturally diverse student population.

The education, growth and pastoral care of students is the responsibility of all staff at the College. However, the Learning Support Coordinator plays a vital role in ensuring that all students with additional learning needs, have every opportunity to experience an education that aligns with the vision statement of the College. The Learning Support Coordinator works with the Deputy Principals, Heads of Year, Pastoral Care teachers, and CAVE staff to ensure the well-being of students.

The position of Learning Support Coordinator should be one as having significant standing within the College community. The Learning Support Coordinator exercise an important role within the teaching staff.

#### *Learning Support at Mercy College*

*“Students with special needs refer to those students who have conditions, circumstances or behaviours that interfere with, or impede, school progress to such an extent that special educational arrangements and provisions are required. These students may require support in varying degrees to access and participate in the total school curriculum and achieve positive learning outcomes” (CEO: Supporting students with Special Needs.)*
